

WHO WE ARE

The GAC is a global programmatic accreditation body for project management education, accrediting bachelors, postgraduate and doctoral degree programs in project management.

We have Board Members in seven countries – US, UK, China, Australia, Spain, Sweden, and Brazil.

COUNTRIES

Since its founding in 1999, PMI Lima Peru Chapter established a strong liaison with Universidad Peruana de Ciencias Aplicadas (UPC), on whose campus were performed the first meetings of the members of the Chapter. Following UPC vision and mission statements, UPC extended its collaboration and use to sponsor every year...

Victor Villar, PMP
UPC Master's in Administration and Project Management
GAC Program Director and Past PMI Lima Peru Chapter President.

Impact the next generation of Project Managers

You're already doing Academic Outreach, help your university take the next step in achieving programmatic accreditation.
