PMI® - PROJECT MANAGEMENT INSTITUTE

GOOD THINGS HAPPEN WHEN YOU GET INVOLVED WITH PMI®

Creating the future

Working in a close contact with world renowned industry leaders and affirmed professionals, you will be able to build & shape your future in Project Management.

Contribute to the development of your organization

Working with us for Project Management innovation and development, you will contribute to the success of your organization. Together, we can influence this change through improvement of processes and tools thus facilitating organization success.

PMI Educational Foundation

Help your community using materials supplied by the PMI Educational Foundation®, a charitable nonprofit organization leveraging project management for social good. PMIEF® develops and delivers innovative programs including scholarships, awards and grants as well as educational resources that strengthen both teaching and learning.

Improve your career opportunities

A PMI® credential can make the difference in your curriculum, making you more visible on the job market in Italy and in the world.

PDU Advantage Program

All members can access to exclusive programs to earn PDUs to keep their credentials in good standing; there are hundreds of opportunities to maintain your credentials. Registration to the program is automatic for all members.

Access resources

Improve your know how using available resources and tools just ready as you need.

Meet with PMI experts

Take advantage of the more than half a million PMI® members worldwide. If you need information or help, don't re-invent the wheel: use the PMI® network!

FOR YOUR PROFESSION

La PMBOK® Guide and all the PMI® Standards

Each member receives a digital copy in Italian and in English of the PMBOK® (Project Management Body of Knowledge) Guide as well as all the international PMI® Standards: Program Management, Portfolio Management, Organizational Project Management Maturity Model, Project Risk Management, Earned Value Management, Project Configuration Management, ... and many others.

Tools and templates

Members can access, on-line, Project Management ready-to-use tools and templates. The Knowledge Library is an ever growing collection of technical information and articles written by practitioners and experts to enhance understanding of the various aspects of Project Management.

PMI® Congresses

Global and Regional congresses (amongst the latter is the EMEA meeting) provide attendees with a unique opportunity to improve their skills and enhance network relations.

PMI CENTRAL ITALY

PASSION AND COMPETENCY TO SUPPORT YOUR PROFESSIONALISM

Networking with professionals that share your area of expertise

Thanks to our LinkedIn team and specialized subgroups each dedicated to a business branch (Construction & Infrastructure, Defense Security & Space, Plants & Chemical, ICT, etc.) you can obtain first-hand information and share online viewpoints and tips. You can choose to participate to PMI Central Italy Chapter events:

- Training and Professional Meeting (full day event)
- Afternoons at Universities
- Seminars on Project Management Tools
- Seminars at companies
- Project Management evenings

Participate as a volunteer

There is a qualified portfolio of events, interests and activities locally supported by PMI Central Italy Chapter (www.pmi-centralitaly.org), in addition the ones that PMI® arranges worldwide. You can support Chapter operations by joining one of the Operational Committees, Sectorial Committees (industry specific) or Territorial Branches (bringing Chapter activities closer to our members). As a volunteer you will earn PDUs to maintain your credentials.

Special prices and partnerships

You will be able to buy books, magazines and training courses at special prices thanks to partner of our Chapter (AFCEA, AICP, AIDIC, AIDP, AIIC, AISE, FederManager, etc.). They offer discounted rates for subscription fees and participation to events.

Numerous free Webinars

PMI Central Italy Chapter arranges a lot of free Webinars in Italian and English, covering the latest trends in Project Management. Presented by experts in their fields, the webinars can be consulted "on demand" in the reserved area of the PMI® or PMI Central Italy Chapter website.

FOR YOUR PROFESSIONAL GROWTH

Our publications

Receive our publications containing interesting articles to improve your skills and keep you up-to-date:
